WHY MEN ARE THE WAY THEY ARE

with
Dr. Warren Farrell

IF YOU'VE EVER ASKED THESE QUESTIONS

ABOUT A MAN:

- Why are men so afraid of commitment?
- Why can't men listen?
- Why are men so preoccupied with sports?
- Why can't a man be a friend before a sex partner?
- Why can't men get in touch with their feelings?
- Why can't a man ask for help?

ABOUT A WOMAN:

- If women are so liberated, why do they still want men to ask them out, pay for dinner, take all the sexual initiatives, and call them in the morning?
- Why are the women I'm most attracted to the most difficult to get along with?
- Why do women treat men like "success objects"?
- Why do women have such unrealistic expectations... expectations that not even Prince Charming could meet?

This illuminating seminar will help you understand the other sex in a way you will never forget, and there will no longer be a need to continue the battle of the sexes. Dr. Farrell has come up with provocative new theories about the reasons love, intimacy, and commitment mean different things to men and women. Learn how to develop and maintain positive, romantic relationships, which is so vital in today's complex, demanding world. You'll have a greater understanding of the other sex and a deeper capacity for love.

If you're single, what a wonderful way to meet a man who is willing to express feelings or a woman open to hearing the male perspective. If you are part of a couple, Dr. Farrell puts it this way: "I have never had someone say to me 'I want a divorce; my partner understands me.'"

Warren Farrell, Ph.D., is the author of the national best-seller *Why Men Are the Way They Are*, as well as *The Liberated Man*. *Why Men Are* has been heralded by critics as "the most important book ever written about love, sex and intimacy." Dr. Farrell has appeared on the *Phil Donahue Show*, *Oprah Winfrey*, *Good Morning America*, the *Today Show*, and he has had repeated interviews with Barbara Walters. He is the only man to have been elected three times to the Board of NOW in N.Y.C., as well as to the board of the National Congress for Men.
